

Greetings!

We are glad you are interested in a role on the Mise en Place Hospitality Team and would like to get to know you better. Please take a moment to answer the following questions and send this back to us. You don't have to write a lot – get to the essence of you/your thoughts in each response. A short description of the operations is below.

Mise en Place has been setting Tampa's table since 1986 both at the restaurant and in locations such as homes, offices, parks and museums. We are a highly Zagat rated establishment that has been listed in USA Today's Top Ten restaurants in Tampa Bay, is in the Florida Trend Golden Spoon Hall of Fame and aired in January on Emeril's Florida. We are built on the European proprietor model but with all the influence of the modern American dining scene. We orchestrated the hospitality services at the Tampa Museum of Art - an ultra modern building on the Riverwalk where we handled all special events and ran Sono Café for Lunch and Brunch for the first nine years of the museum's operations. We are also at the Tampa International Airport as a part of TPA Hospitality with The Café by Mise en Place in Airside F and the Amalie Arena with a Mise Wine Bar Café. Montados by Mise en Place is set to open in the Fall of 2018 at Sparkman Wharf in Channelside, as well as the Berkeley Beach Club at Passe-a-Grille Beach in St. Pete.
